Re: Marhone v. Cassel, 16-Civ-4733 (NSR)(LMS)(pro se)

Dear Judge Román:

This office represents Superintendent Joseph Smith, the remaining defendant in this pro se prison conditions matter. Defendant respectfully requests an adjournment of the status conference currently scheduled for March 6, 2020. The adjournment is requested because of additional discovery issues discussed at the conference before Magistrate Judge Smith on February 27, 2020. Another conference is scheduled before Judge Smith on March 16, 2020, but defendants respectfully request that the conference before Your Honor not be rescheduled before April 5, 2020, as I expect to take one more witness deposition on a date to be scheduled prior to then. I will also be unavailable April 8-10 and 22-24. The Court has previously adjourned the conference sua sponte by Court order dated May 6, 2019, and following defendant's five prior requests due to the continuation of discovery by orders dated June 17, September 6, October 16, October 30, and December 16, 2019. Plaintiff was informed that this application would be forthcoming at the February 27 conference before Judge Smith and did not object.

Respectfully submitted,

  
STEVEN N. SCHULMAN  
Assistant Attorney General
